

DOSH 4 DISH

Your small change can help us make a big change

Your small change can make a big change to people with disabilities.

In August, Disability Huntingdonshire is asking you to collect your small change and donate it to DISH!

Collect your coins and team up with friends and neighbours to make a huge difference to local people with disabilities!

To register your participation in DOSH 4 DISH, please email ceo@dish.org.uk

Disability Huntingdonshire is a small local charity supporting people of all ages with disabilities navigate the complex world of disability benefits. Our service is free but we need donations to help us to support people who need our help. Disability can affect anyone at any time from any background. **Charity No: 1061702**
